

## **Peter Barnes FBCI**

### **Positions wanted**

Contract consulting / interim management engagements in business continuity and / or crisis management.

Available worldwide but prefer major financial centres in Europe, South East Asia or Middle East

**Availability:** January 2009 (possibly earlier subject to notice)

### **Summary**

Hands on, practical / pragmatic practitioner of business continuity and crisis management with extensive experience across many industries and cultures.

Comfortable leading the team or bringing experience, oversight and skills transfer to an in-house team.

### **Expertise**

All aspects of the Business Continuity Management life-cycle with special expertise in:

- Development and implementation of robust BC testing strategies;
- Business Impact Analysis and strategy development (including fast-track methodologies)
- Crisis Management training and simulation / exercises
- Multi-national / multi-location plan development and implementation

### **Career overview**

- Fellow of the BCI since 1999
- 18 years BCM experience
- 9 years as International Operations Director – Survive The Business Continuity Group
- 2 years as Senior Manager – PricewaterhouseCoopers (leading BCM consulting team and engagements)
- 7 years freelance / full-time BCM consultant

### **Key industry experiences**

- Central Banking
- Investment Management
- Dealing Rooms
- Call Centres
- Retail Banking
- Insurance
- Government and Public Bodies
- Service Sector
- Leisure
